Sub:- ESTABLISHMENT - Temporary - South Kanara district - anti smuggling staff for coastal petrol - 1948-49. Employment - Sanction - Requested.

Ref:- G.O.No. 456, Food Dept., 19-5-1948.

Last year, the Government were pleased to sanction the employment of a coastal patrol staff consisting of 15 police constables and 15 Revenue peons in the G.O. cited above, for the prevention of smuggling of rice by sea from this district. This staff was disbanded on 31-5-1948 as there was no likelihood of rice being smuggled by sea during the monsoon. The harvest of the first crop in this district will be completed by the middle of October and the smuggling of rice thereafter will become easy as the monsoon has subsided. In view of the continuance of the ban on the movement of rice and paddy from one district to another and between provinces, it is quite necessary to prevent smuggling, of these foodgrains from this district so that the stocks produced here may be conserved for the use of the people here. I therefore request that the Board may be pleased to obtain Government sanction for the employment of the above mentioned staff from 1-11-1948 to 31-5-1949 or till the necessity for the employment ceases, whichever is earlier.

Yours faithfully,

(SD).....

2 A staff consisting of 15 Police Constables and 15 Revenue Peons was being sanctioned every year, during the period November - May for work connected with the prevention of the smuggling of foodgrains from the South Kanara district, by sea. The staff sanctioned last (for 47-48) was disbanded at the end of May 1948. This year also the Collector has proposed the employment of the staff referred to for a period of 7 months from 1-11-48. The Board has recommended the Collector's proposal. As the food position in this Province is far from satisfactory, the need for conserving all the available stocks, continues as before. In the circumstances the proposal to employ the staff asked for, may be agreed to. The staff may be however sanctioned from 1-11-48 to 31-3-49 instead of upto 31-5-49 as asked for by the Board.

The proposal in this file is to sanction 15 Police Constables and 15 Revenue Peons for Coastal Patrol work in S. Kanara district for a period of 7 months (from 1-11-48 to 31.5.49). The cost of the staff works out to Rs 11,050/- for the above period. As the staff will not be continued beyond 31.5.49, the expenditure may be taken as non-recurring, and it does not appear necessary to place the matter before the S.Fc and the Cabinet — the need for such employment has already been accepted by the Cabinet - (see pp 17-19 n/f of (E)). It is also submitted that the staff was being entertained periodically, every year, since 1944. Finance may see for advice. (F)

M-P 17/N/Fin (E)

↑ Orders of the S.F.C and the Cabinet have been taken only in cases where the expenditure exceeds Rs 20,000 non-recurring - Here the expenditure is Rs 11,000 non-recurring.

The note of Food dept. above may be perused. They have stated that as the expenditure

Manp 17 nfy (U) on account of the staff in Rs 11,050/- non-recurring, the case need not be referred to the S. F.C. and the Cabinet. They have however stated that the staff is being periodically entertained every year since 1944. This amounts to the incurring of a recurring expenditure every year. As the cost exceeds Rs 5000/-, the case may be placed before S. F.C. and the Cabinet, as was done last year.

NOTE FOR CIRCULATION.

With a view to prevent the smuggling of foodgrains by sea from the South Kanara district, a staff consisting of 15 Police constables and 15 Revenue peons, were being employed every year since 1944 for a period of 7 months (November to May). In 1947 the above staff was employed, and was disbanded at the end of May 1948. This year also the Collector of S. Kanara has proposed the employment of the staff referred to, for a period of 7 months from 1-11-48. The Board has recommended the Collector's proposal. As inter-district & inter-provincial ban on movement of grains are still in force. the food position in this Province is still precarious all measures to prevent the flighting of foodgrains from this Province have, to be taken as before. It is proposed to sanction a staff

staff consisting of 15 Police constables and 15 Revenue Peons from 1-11-1948 to 31-5-1949. The cost of the staff works out to Rs.11,050 for the period specified above. Home and Finance have agreed to the employment of the above staff. Subject to orders a draft order sanctioning the staff is submitted. As the staff is employed periodically, Finance consider that this has to be classified as recurring expenditure. But as the appointment of this staff is in effect the continuation of what was sanctioned in the previous years, that department considers it unnecessary to place the matter before the Standing Finance Committee. That department however desire that H.M.(Fin.) may see the case. The case may therefore be circulated to H.M.(Food) and H.M.(Fin.) for perusal before issue of draft.
